Adidas Wrist Support - Black L

Code: ADSU-12543BK

MRP : 949.00

Allowing you to keep pushing with your training, the knitted adidas Wrist Support helps to keep you moving and progressing through tough training periods. Made from a blend of nylon and spandex, the breathable and elasticated material provides support that forms to your wrist. The Wrist Support's strategically placed panelling wraps around the joint, combining differing levels of elasticity for tailored and effective support.
