Code: 32209

MRP : 2100.00

STIGA Horizontal are our latest long pimple rubbers, developed in close collaboration with former Japanese National Team player Masato Shino. The pimple structure of the Horizontal 20 and Horizontal 55 is placed in a horizontal angle providing more effective spin and a variety in your game. These rubbers are made in Japan and developed specially for the ABS-ball to increase the spin of the modern defensive game.
