Sports Rig

Code: ADBE-10360

MRP : 69699.00

Fitted with twin pulley stations and a plate loaded stack, the Sports Rig provides all-round strength training for any level. With wires adjustable to 17 positions, the Rig's four carabiner attachments vary your training with upper and lower body exercises. Also equipped with a floor level row station and split pull-up bar, the Sports Rig's versatility and durable steel construction combine for challenging home workouts.
