Everything in a smart, spacious solution: the Eco Rival XL Training Bag from STIGA Sports. This bag offers plenty of room and pockets for large and small items. In the large main compartment, you have space for workout clothing, shoes, and other equipment.

The bag also features several smaller pockets, inside and out, for convenient access to small items. Made from durable recycled plastic, this bag helps protect your belongings in all kinds of weather. The ergonomic, adjustable shoulder strap features padding to reduce shoulder pressure and increase carrying comfort. The bag is also equipped with double padded carry handles for added comfort.
