CD 601-G02 Belt Squat

Code: 45115

MRP : 139500.00

COSCO
SPORTS | FITNESS

The Belt Squat is a versatile machine that targets the entire thigh and gluteus muscles. Unlike traditional squats that put pressure on the spine, the Belt Squat relieves the spine and allows for more comfortable and effective training. With the ability to adjust your stance, you can target different muscle groups and optimize your workout. The machine also includes additional pins for elastic straps to add resistance and challenge your muscles.
