Dip/Chin Assist not only can it be used as a part of the serial modular core of a plug-in workstation or a multi-person station, but it is also a mature dual-function system. Large steps, comfortable knee pads, rotatable tilt handles and multi-position pull-up handles are part of the highly versatile dip/chin assist device. The knee pad can be folded to realize the user's unassisted exercise. The linear bearing mechanism provides guarantee for the overall stability and durability of the equipment.

Black Frame, Black Cushion
