The original Compact Leg Press has been re-engineered to develop lower body strength in small spaces—now with a Hack Squat!

3-In-1 Combination Machine, 52 in (W) x 65 in (D) Footprint, 8 x Lockout Safety Positions, 5 x Footplate Angles, 6 x Backpad Angles, Olympic or Standard Weight Plates,

Stability has been enhanced with wide steel tubing and angled support framing. Solid steel-plated end caps add additional stability. Ultra-smooth motion thanks to the Force USA Hover-Glide mechanism. Ergonomic comfort-coated grip handles are positioned on either side. Assists in getting in and out and helps focus on leg drive when exercising with a heavy load. Eco-friendly commercial-grade powder coat followed by a clear coating. Durable and long-lasting protection. High-density commercial-grade foam padding with ultra-thick laminated wood base. Firm and comfortable. Superior commercial-grade vinyl upholstery. Rip-Stop mesh backing helps prevent rips and tears.

* Weight plates sold separately.
